PM-405.7 Prohibited Occupancy:

Kitchens, nonhabitable spaces and interior public areas shall not be occupied for sleeping purposes...Basements, as those are defined herein, shall not be occupied for sleeping purposes, nor shall they be used as dwelling units. Attics in all structures which do not meet the ceiling height requirements of Section 405.8 herein shall likewise not be used for sleeping purposes, nor shall they be used as dwelling units. This prohibition shall not apply to areas in structures which are originally as-designed and built raised-ranch, tri-levels, garden apartment, and the like, where such original design includes bedroom(s) which are located partly below grade.

APPLICATION FOR CERTIFICATE OF OCCUPANCY AND CONFORMITY OF PREMISES

The undersigned owners of the herein described property and buildings thereon, hereby applies for a certificate of occupancy of said buildings and premises and hereby agrees not to occupy them until certificate of occupancy has been granted. Said buildings and premises are to be used exclusively for

Single family dwelling, Business (state type), Apart., Hotel, etc.

No error or omission in either the plans or application, whether said plans and application has been approved by the building department or not, shall permit or relieve the applicant from constructing the work in any other manner than that provided for in the ordinances of this City, relating thereto. The owner having read the application for the building permit and for certificate of occupancy and having checked the plat plan hereon shown and fully understanding the intent thereof, declares that the statements made and the drawings shown are true to the best of his or her belief.

NO CONSTRUCTION SHALL BE STARTED UNTIL PERMIT IS ISSUED.

Do not sign unless you have read and checked this application and everything is complete.
